Eligibility and Application for Diplomas and Certificates

Bachelor's degrees are conferred three times a year: February, May, and October. Students must file an application for the degree in consultation with their advisor by the deadlines specified below.

Apply for Graduation

To apply for graduation, students should meet with their GS advisor no later than six months prior to the anticipated completion of the degree. Students who are unable to earn the degree or certificate by the conferral date for which they have applied must file another application for a later conferral date.

Graduation Application Months are as follows:
- February – May, October (participating in May)
- July – October (not participating in May)
- October – February

October candidates who wish to participate in May ceremonies must obtain special permission from their advising dean.

Students in the Joint Program with List College of the Jewish Theological Seminary will be allowed to graduate when they have completed the requirements for both degrees.

Verifying Your Graduation Application Status

After completing a graduation candidacy review with his or her GS advisor, and applying to graduate in February, May, or October, students can confirm the status of their application through SSOL.

To verify that their graduation application has been processed, students should follow these steps:

1. Log in to SSOL (https://ssol.columbia.edu/).
2. Under "Academic Records," click on "Degree Application Status."
3. Confirm your expected date of graduation (month and year), as well as the status of your application submission.
   - Note: "Submitted" status confirms that your application was processed; this will be noted only by your academic program(s) of study.
4. If your application status is "Not Submitted" or there are errors in the information listed, email gsgraduation@columbia.edu.

Diplomas

There is no charge for the preparation and conferral of an original diploma or certificate. The name of the graduating student will be printed exactly as it appears on his or her transcript. Students are responsible for checking their transcripts and reporting any errors to the Registrar in 205 Kent before they file their degree or certificate applications. A student who wishes to change his or her name officially must submit the Name Change Affidavit available from the Registrar's Office. The affidavit must be notarized and filed by the application deadline. If a diploma or certificate is lost or damaged, there will be a charge of $100 for its replacement. Note that replacement diplomas or certificates carry the signatures of current University officials.

Columbia diplomas will be produced and mailed within three weeks after Commencement (https://gs.columbia.edu/commencement/), and are mailed to the student's Diploma Address, as listed in SSOL (http://ssol.columbia.edu/). Students should confirm their address information on their SSOL profile. If a student's address needs to be updated, it should be done through SSOL before the Monday prior to Commencement.

Please be sure to complete the Diploma Address option. Diplomas cannot be mailed to students who do not have a Diploma Address listed in SSOL.

Diplomas for February and October graduates will be mailed to the address on file in SSOL (https://ssol.columbia.edu/) up to two months after the degree conferral date.

Note: Graduates who have not resolved any financial or library holds preventing the release of their diplomas must proactively notify the Registrar's Office that their last hold has been removed. In the case of holds preventing release, the Registrar's Office will not mail student diplomas without notification that all hold(s) have been removed.

Contact

Applications for replacement diplomas and certificates may be requested by calling the Office of the Registrar, Graduation, Degree Audit, and Diploma Division at 212-854-1454.
