

GENDER AND PUBLIC POLICY (GPP)

Gender and Public Policy Curriculum

The Gender and Public Policy specialization seeks to integrate theory and practice. Students are strongly encouraged to participate in workshops, skills-building exercises, and Capstone projects that examine gender relations.

Students must complete either one 3-point course or two 1.5-point courses from the list of the Specialization's Core Courses. The remaining 6-points can be any Core Course or Pre-Approved Elective as indicated on the GPPS website. Other courses may be taken subject to the director's approval. Please note that approval will depend on the inclusion of policy perspectives focused on gender issues in work done for the course.

Required Courses

Select at least one 3-point course or two 1.5-point courses from the following:

		Points
INAF U6143	Gender, Globalization, and Human Rights	3
INAF U6403	Regulating Reproduction: Care, Procreation # Equality	3
