

INTERNATIONAL CONFLICT RESOLUTION (ICR)

International Conflict Resolution Curriculum

The specialization seeks to integrate theory and practice, providing a venue for leading practitioners and scholars to prepare the next generation of conflict resolution specialists.

Though the ICR Specialization and the Kent Global Leadership Program sometimes co-sponsor events, the two programs are distinct. ICR is part of a graduate degree program, while the Kent Global Leadership Program provides training to diplomats currently serving around the world. Participation in this training is by invitation only and is not open to current graduate students. For more information about the Kent Global Leadership Program, [please visit the webpage](#).
